

CUSTOMIZING YOUR FITBENCH

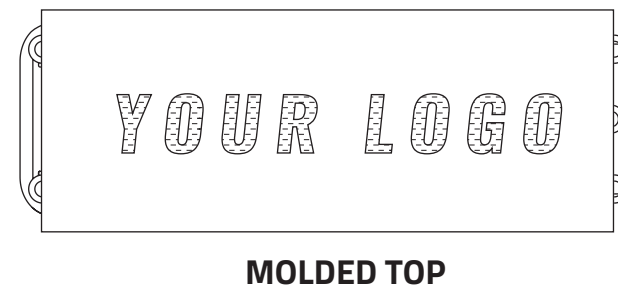

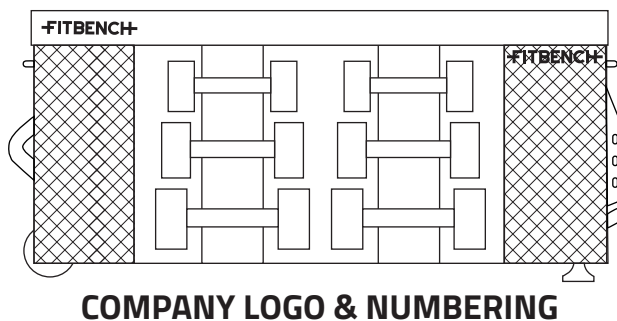

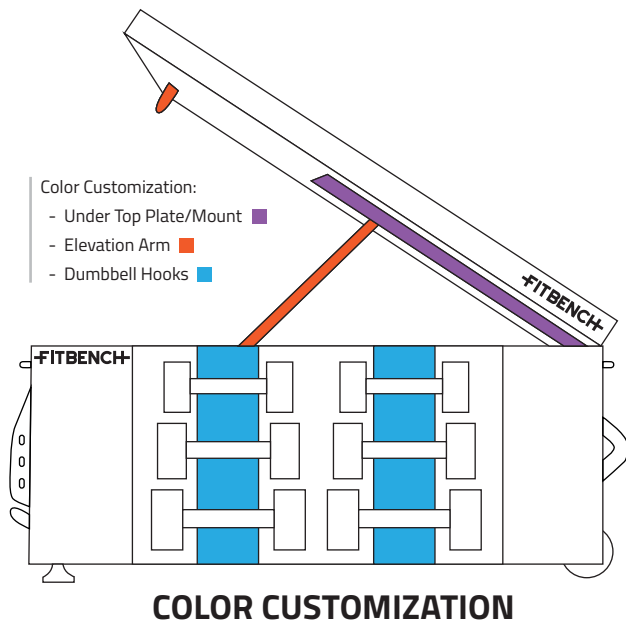

We want you to show off your business the way that it deserves to be. That's why we offer total customization of the FITBENCH, so you can make it yours. Add your logo, change the colors, whatever. Just follow these simple steps:

1. Give us what we need (see reverse side).
2. FITBENCH will send over a rendering mockup.
3. You tell us you love it, hate it, or just want to change a thing or two.
4. Order is placed with 50% down payment.
5. Manufacturing/customization starts.
6. You get a bad-ass product that is branded with YOUR company logo and colors!
